TEACHING EXPERIENCE

Lecturer, TED University

Principles of Economics-Macroeconomics (ECON 102), Spring 2021 (1 Section, 36 Students)

Principles of Economics-Microeconomics (ECON 101), Fall 2020 (1 Section, 37 Students)

Principles of Economics-Microeconomics (ECON 101), Spring 2020 (1 Section, 34 Students)

Principles of Economics (ECON 110), Fall 2019 (1 Section, 30 Students)

Lecturer, Koç University

Math Camp (Graduate), Summer 2010.

Teaching Assistant, Bilkent University

Labor Economics, Fall 2018, Professor Çağla Ökten Hasker.

Math for Economics, Spring 2018, Professor Tarık Kara.

Math for Economics, Fall 2017, Professor Tarık Kara.

Microeconomic Theory II, Spring 2017, Professor Kemal Yıldız.

Microeconomic Theory I, Fall 2016, Professor Nuh Aygün Dalkıran.

Industrial Economics I, Spring 2016, Professor Çağla Ökten Hasker.

Introduction to Probability and Statistics II, Fall 2015, Professor Syed F. Mahmud.

Microeconomic Theory II, Spring 2015, Professor Kemal Yıldız.

Math for Economics, Fall 2014, Professor Rahmi İlkılıç.

Math for Economics, Spring 2014, Professor Rahmi İlkılıç.

Math Camp (Graduate), Summer 2012, Professor Rahmi İlkılıç.

Microeconomic Theory I, Fall 2011, Professor Kevin Hasker.

Seminars in Macroeconomic Policy, Spring 2012, Professor Fatma Taşkın.

Teaching Assistant, Koç University

Math. For Economics (Graduate), Fall 2010, Professor İpek Gürsel Tapkı.

Econometrics II (Undergraduate), Spring 2010, Spring 2011, Professor İnsan Tunalı.

Econometrics II (Undergraduate), Spring 2009, Professor Kuzey Yılmaz.

Econometrics I (Undergraduate), Fall 2008, Fall 2009, Professor Kuzey Yılmaz.

Microeconomic Theory I, Summer 2008, Professor Özgür Kayalica.

Calculus I, Fall 2007, Professor Burak Özbağcı.

Statistics, Fall 2006, Spring 2007, Professor Elvan Ceyhan.

RESEARCH EXPERIENCE

Professor Elvan Ceyhan, Koç University, İstanbul, Turkey

Research Assistant Spring 2006.

- Performed archival research on statistics.

Professor İnsan Tunalı, Koç University, İstanbul, Turkey

Research Assistant TUBITAK project, April 2010-September 2011.

- Writing for MATLAB code for the estimation of labor mobility movements.

LANGUAGES

Turkish (Native), English (fluent)

SKILLS

Proficient in statistical analysis and software, MATLAB, Stata, Ox, Octave, E-views, R (intermediate), Python (intermediate), Windows and MS Applications.
